Sotenäs Centre of Symbiosis

Sotenäs Centre of Symbiosis

"Sotenäs Centre of Symbiosis shall be a leading actor in maritime development. We are an innovative hub in an environment where the human meeting is the basis for the transition to a circular economy. With the sea the basis, we strengthen the existing business and create opportunities for new green business."

An arena for industrial and social symbiosis

- The lifelong learning
- Meeting space and office
- Business development
- Innovation consultancy
- A project arena, development and management
- Communication and dissemination
- Development platform for circular economy business models

Symbiosis in Sotenäs
